EXAMINER: Initial if reference considered, either on or not claim is in conformance with MPEP 609. Draw line through claim if in conformance and not considered. Include copy of this form with next communication to applicant. *Applicant's unique claim designation number (optional). ** See Kinds Codes of USPTO Patent Documents at www.uspto.gov/ip/patents/101/101a.htm. *Enter Office that issued the document, by the two-letter code (WIPO Standard 31.3). ** For Japanese patent documents, the indication of the kind of document is not required. For documents in languages other than English, the language of the document must be indicated by the appropriate symbol as indicated in the document under WIPO Standard 31.16 (if possible). *Applicant is to place a check mark here if English language Translation is attached. This collection of information is required by 37 CFR 1.57 and 1.58. The information is required to obtain or retain a benefit by the public which is to file (and by the USPTO to publish) an application for a patent. This information is required to be submitted by the applicant, and the applicant is required to submit the information in the form and manner and submitting the completed application form to the USPTO. Time will vary depending upon the individual case. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden, should be sent to the Chief Information Officer, U.S. Patent and Trademark Office, U.S. Department of Commerce, P.O. Box 1450, Alexandria, VA 22303-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22303-1450.

If you need assistance in completing the form, call 1-800-PTO-9199 and select option 2
